

# Online resources for women at high risk of breast cancer

Please note that these resources are not affiliated with Genetic Services of Western Australia but may be useful for people diagnosed with, or at high risk of, breast cancer.

## Breast Cancer Network Australia (BCNA)

BCNA is the peak national organisation for Australians affected by breast cancer. BCNA works to ensure that Australians affected by breast cancer receive the very best support, information, treatment and care appropriate to their individual needs. BCNA's website includes information for women at high risk of breast cancer.

Website: [www.bcna.org.au](http://www.bcna.org.au)

## FORCE – Facing Our Risk Of Cancer Empowered

FORCE's mission is: to improve the lives of individuals and families affected by hereditary breast, ovarian, and related cancers.

Website: [www.facingourrisk.org](http://www.facingourrisk.org)

## Pink Hope

Pink Hope is a preventative health organisation working to ensure every individual can assess, manage and reduce their risk of breast and ovarian cancer, while providing personalised support for at-risk women.

Pink Hope programs and support include: online support groups including one specifically for WA, access to an online genetic counsellor, conference and resources for the at-risk community.

Website: [www.pinkhope.org.au](http://www.pinkhope.org.au)

## Perth Previvors

Perth Previvors is a Facebook group run by BRCA-positive women in Perth. Search closed group. Find it by searching for 'Perth Previvors' in 'Groups' and request to join.

Website: <http://www.facebook.com>

## BRCA Brotherhood

The BRCA Brotherhood is a private Facebook group (open to men only) for men who are BRCA positive, or who have a partner or relative who is BRCA positive.

Website: <https://www.facebook.com/groups/BRCABrotherhood/>
